MEDIA RELEASE ON FALSE INFORMATION CIRCULATING IN THE PUBLIC

1. The Ministry of Defence (MOD) noted that there is information being circulated in the Public through different social media platforms that MOD is offering a study opportunity at School of Military Science (UNAM Main Campus) to young Namibians.
2. The MOD wishes to set the record straight with factual information that MOD is not recruiting at this stage or offering study sponsorship. Therefore, the information currently circulating in the public especially through social media is not true or originated from the MOD.
3. The designer and distributor of such information has cause confusion in the public and the MOD condemn it in strong terms. The MOD is disassociating itself from false information circulating in the public through unauthorised source. In future, if the MOD intends to recruit the public will be informed accordingly.
4. The public is also reminded that all official public announcements from the MOD are only distributed through the Public Relations Division of the Ministry to the public not any other unauthorised person(s).
5. I thank you.

LIEUTENANT COLONEL PETRUS SHILUMBU
ACTING HEAD PUBLIC RELATIONS DIVISION
